

## *Leadership Team*

To My Dearest DKG Sisters of Delaware:

Truly the years of 2017-19 were the years of YES for the DKG members of Delaware. From the time we left The Rookery North in Milford until we left The Duncan Center in Dover, the collaboration and dedication to our theme: Reaching Out- Building Leaders have been evident. A very special THANK YOU so much to the officers, committee chairs, chapter presidents, and membership body who reached out to commit to chapter goals, invite new members, and participate in conference and convention activities. The executive board welcomed the challenge from then International President Carolyn Pittman that we

stabilize our membership. We took a hard look at our dilemma and went to work. Chapters reviewed their programmatic thrust to reflect what members felt they needed. Members took on new roles to help sustain the chapters. One hundred percent of our chapter presidents participated in leadership training provided by the leadership committee. One hundred percent of the chapters were represented at every executive board meeting. Fifty percent of the chapters had representation at the International Convention in Austin. Fifty percent of the chapters inducted new members. One chapter doubled its membership. I am so proud of and grateful to so many indi-

viduals who spread their “butterfly wings” and fluttered so that chapter members could flutter to help chapters flutter to help “Alpha Tau State” flutter.

Now as we begin the next biennium, I am honored that you have given me a vote of confidence to serve as your state president to help us continue to move forward in a strategic manner to continue: Putting Our HEART into Reaching Out and Building Leaders. We have spent two years building our mindset that simplicity is a key component of international focus. In April we voted and aligned of our state documents with the international focus. Now that we have that in order, we simply

need to continue to do what we started two years ago- JUST with a little more HEART.

**Help** spread the mission of DKG

**Each** day is a day to do something for DKG

**Ask** at least one teacher to join each month

**Reach Out** to members you don't see often.

**Thank** a classroom teacher for her work of heart.

With DKG Love,

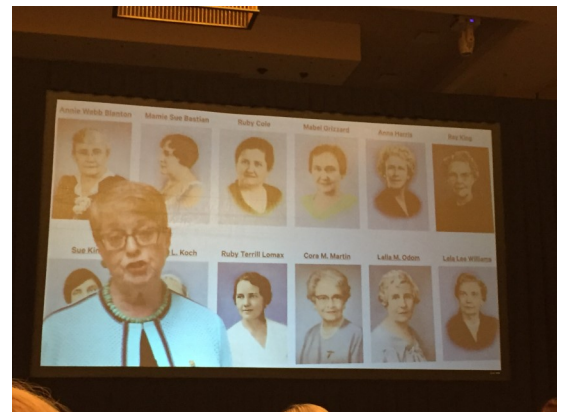

Doris E. Person. Ed.D.
